Rocky Knob Recreation Area Trails

Blue Ridge Parkway Milepost 169

Length:

- Hardwood Cove Self-Guided Nature Trail - .8 mile, moderate
- Rock Knob Picnic Loop Trail - 1 mile, easy
- Black Ridge Trail - 3.1 miles, moderate

Rocky Knob Recreational Area covers more than 4,000 acres. It offers many diversions for visitors, including hiking trails, a visitor center, campground, backcountry camping and picnic area. Interpretive talks and demonstrations are given in the summer months and trails offer a variety of scenic and historical wonders. A century ago this gorge supported a substantial community of 30 families. In the decades that followed, nature has reclaimed the gorge. Today, more than 60 species of native trees, 25 species of delicate ferns and over 200 species of wildflowers shade and color the gorge and its remnants of old home sites and gristmills. Wild turkey, fox, bear, deer, bobcat and other animals roam the forest. In 1984, the Rock Castle Gorge Loop Trail was designated a National Recreational Trail in recognition of its outstanding features.
